SECTION F. A.

FILE NO. 29.0f9697

SERIAL NO. 1

Note.

Under Sub-cl (2) ~~and (3)~~ of cl 6 of Rule V, the Dadry licensee shall pay each month's rent into the Local Dalali Treasury by the 20th of each month.

The Dadry Vend Farmers of the Nadiad in Dalali paid their duties on the 20th August to the Dadry Inspector instead of into the Dalali Treasury, owing to the prevalence of cholera. The Dadry Inspector, owing to absence from H.Q. and was not able to remit the amount to the Treasury till the 26th August.

The question is whether interest should be recovered from 20th to 26th Aug, under cl 3A of the Rule quoted above.

There is nothing to the point in Part I of the Civil Account Code referred to by the Comptroller.

Technically the Farmers are bound to pay interest, as they should have remitted their dues to the Treasury, but under the circumstances, it may be excused as recommended by the Excise Com^r & Dy Com^r

20/9/97

The Dadry Inspector should not have permitted the money to be kept in his office for several days as he is reported to have done. He ought to have seen the payment made direct into the Treasury by the Vend Farmers themselves. As however the latter ought not to suffer on

account of an irregularity on the part
of the former Govt. due
to delay in payment
of Duty for the 5 days
intervening between the
date of Payment to the
Collector & that of Payment
into the Treasury -
